27th May— 31st May	Half Term

The Awesome Acorns have been learning all about doubling numbers. This clever little lot have been challenging themselves with large numbers and enjoyed working out the doubles using chalk on the playground.

Our topic this half term is 'Traditional Tales' and we have started by looking at Jack and the Beanstalk.

We have done some work about the life cycle of a Bean. We then planted our own beans and are hopeful that they will grow as tall as the one in the story.

Thank you to all of the children who gave Lacrosse a try on Wednesday after school. Jess was really pleased with the turn out and praised the children's ability.

Parents— Please do not let your child run up or play on the steps by the entrance as it can be very dangerous.
Thanks.
