Well done year 2s for all your effort with the SATs this week. The level of concentration and your determination to do well has made us very proud. You are amazing!

Thank you to Miss Priestley who leaves us this week after a happy and successful six week placement in Willow class. Good luck with the rest of your training!

On Wednesday, the children made sea creatures, which are now on display in our classroom. There was a lot of creativity and fun – and the mess was all gone by 3pm!

A big thank you to FROGS for paying for the Science workshop with Sirius Astronomy last term.

Parents— The summer school trip to Shuttleworth will be on Wednesday 26th June for Willow and Oak class. Letters and permission forms will be sent out today so please remember to return the consent form.
