26th June	Shuttleworth Trip for Willow and Oak
25th June	Bikeability for Oak Class
1st-3rd July	Grafham Water Trip for Y4's
11th July	Summer Performance
17th July	Shuttleworth Trip for Acorns

Oak Class have been busy learning to dance around the Maypole in readiness for the school fair next weekend. They have done really well and only got tied in knots a few times. They have enjoyed the challenge and have been very pleased when things have gone well, applauding each other when it went smoothly. A few more times around and they will be perfect.

The class are getting excited about rehearsing for the performance later this term and have learnt their words and some of the songs already.

Oak Class have been finishing off the science experiments and using the graphing they have learnt in maths lessons to show what happened to the bean plants.

Parents— There are concerns about the cars parking on the markings closest to the Pre-School green gate and we are worried about the safety of the children from our school and the Pre-School. Please be extra careful where you park. Thank you.
