18th July	Acorns End of Year Assembly 9.15am
18th July	End of Year Assembly at 2pm. Followed by cream teas

The astonishing Acorns have been very busy planting and tidying our garden as part of Gardening week. We have planted two hydrangea plants near the ramp and are hoping to make this a value themed garden. We have also added plants to the window boxes around the school. We hope you all enjoy these splashes of colour.

In class we have been reading lots of stories about dinosaurs and focussing on rhyming words.

Despite the rain the children also managed to take their maths outside and look for 3D shapes.

Parents— As the Shuttleworth trip for Willow and Oak class is next Wednesday, please make sure you pay on Parentpay by then. Children will need a packed lunch and to wear their school uniform with a coat or hat and suncream depending on the weather.

Acorn class will be enjoying a picnic on the recreation ground and will also need a packed lunch next Wednesday. Their summer trip is on Wednesday 17th July when they join Pippins and Bramleys at Shuttleworth.
