17th July	Shuttleworth Trip for Acorns
18th July	Acorns End of Year Assembly 9.15am
18th July	End of Year Assembly at 2pm. Followed by cream teas

Oak Class have been preparing for the show Cinderella and learning their parts and the songs. They are turning out to be great actors and I am sure it will be a good show when we get there.

They have been busy with Bikeability, learning road safety and biking skills on the playground. It was a bit wet but they have managed beautifully.

One of the main things they have been enjoying is learning all about first aid. Our trainer Tony has been helping the children to know what to do in an emergency and how to get help quickly. They have learned how to assess a casualty and put them in the recovery position, how to deal with someone who is choking and how to know when someone might be having a heart attack. They will be learning CPR this Friday to finish the course and achieve a certificate.

The head tilt

The recovery position

Dealing with a cut

The abdominal thrust for choking is not at all easy.

Parents— Reminder to parents to hand in the form to say if your child would like a school packed lunch on a Wednesday instead of the roast dinner. Thanks.
