

Our Value this month is Thoughtfulness

Diary Dates

17th July	Shuttleworth Trip for Acorns
18th July	Acorns End of Year Assembly 9.15am
18th July	End of Year Assembly at 2pm. Followed by cream teas
19th July	Last day of Term
4th September	Back to School
9th September	New Reception Pupils Starting

This week the Astonishing Acorns found mysterious footprints in the classroom. Shortly after the footprints first appeared they found a dinosaur egg in the book corner.

After a while, the egg hatched and a baby dinosaur came out. He was very scared and climbed up high to feel safe.

The children in Acorn class were very worried and wrote letters to the dinosaur promising to take good care of him. The kind letters worked as the next day the dinosaur came down to play. The children named it 'Herbigeorge'. Acorn parents will get a chance to meet our dinosaur at the assembly.

We hope you have enjoyed our news this year. Have a wonderful summer, from Acorn Class.

Parents: Thank you to Steve who works at HM Prison The Mount Bovingdon, for supplying us with lovely Bird houses for our grounds which are made from off cuts of wood from the workshops. Year 3 and 4 in September:- School lunches are £2.20 a day and they must be paid for in advance.
