Willow class are proud of the Autumn poems they have written this week. The children compiled lists of vocabulary about the season and worked hard to make their poem imaginative and beautifully presented for our display wall.

In Computing, the children have been learning how to stay safe online. Each child has successfully logged in to Purple Mash on their own, changed their avatar, created a Fire of London document and saved it correctly in our work area. Purple Mash can be used at home - your child's password is in their Reading Record.

Art Day took place on Wednesday this week. Children had a great time visiting each classroom and the hall in their house teams to take part in different art activities.

**Parents — The School Photographer is in on Tuesday. Parents with preschool children can bring them in from 8:30am to have their photos taken with their older brothers and sisters.**
