On Monday the whole school celebrated Diwali. The children took part in four traditional activities, making Diva lamps, sweet making, Rangoli patterns and traditional Indian music.

There were also lots of opportunities to try on some very special Indian outfits. To complete the day Mrs Thaneja held an assembly to share some of her families Diwali traditions.

All the children and staff had a wonderful day and would like to extend their thanks to Mr and Mrs Puleston and Mrs Thaneja for sharing their special traditions and expertise.

Happy Diwali everyone!

Parents- Please don't forget to pay for the pantomime by next Thursday.

We are raising money for Children in Need/Pudsey bear next Friday. Children are allowed to wear their own clothes and can wear something spotty if they wish. Please bring in a donation for this charity. Thank you.
