## Happy New Year!

Willow and Oak had a great start to their swimming lessons on Thursday. The teaching was excellent, children were taught in smaller groups than last year and everyone enjoyed the morning. We would like to thank the parent volunteers who are giving up their Thursday mornings to help us supervise the children.

Due to unforeseen circumstances we are looking for another parent helper for next week. Please let the office know if you can assist.

Mrs Clark will be running a workshop after school in January, for parents to explain how we teach Maths using a mastery curriculum. This will give parents an opportunity to ask questions and to find out how you can support your child at home.

Date to be confirmed asap.

**Parents** — Term and holiday dates have been updated on the website.
