7th March	World Book Day
21st March	Parent Consultation
27th March	Design and Technology Day
4th Apr	FROGS Easter Egg Trail
4th-22nd April	Easter Holidays

This week Willow Class have been learning facts about the 8 planets in our solar system. They also made one of the planets using papier mache and painted it using appropriate colours.

In English, we have been writing a story based on Oliver Jeffers' *The Way Back Down*. The children have been learning to construct complex sentences and developing their vocabulary.

We have been preparing for Maths Activity Day next Wednesday by learning times tables (year 2) and doubles and halves facts (year 1) ready for a competition. See this week's learning log activity and please help your child to practice before the big day on Wednesday!

Parents — We would like to thank everyone who helped raise money for The Children's Society from the Christingle last term. We raised an amazing £133.26! Thank you all for your generous donations.
