17th Dec	Christmas Production in the Chapel
18th Dec	Christmas Lunch In village hall
19th Dec	Christingle in school for pupils and staff only

**O**ak Class have been using the topic of the Ancient Egyptians to do different genres of writing. They have been able to write instructions and also explanations about the mummification process using some of their topic lessons to gather information. They are currently in the middle of putting together information leaflets about the Nile and how it was important back then and what it is like today.

They have all been busy gathering word banks of descriptive language to create fabulous shape poems about the River Nile. They came up with some amazing vocabulary and tried hard to use similes, alliteration and other poetic devices. We have proudly displayed them on our wall in class.

**Parents — As the pantomime is coming up, don't forget to pay on parent pay.**

**Please help us to support the Royal British Legion by purchasing these poppy items for sale.**
